

A traditional Chinese ink wash painting serves as the background. It depicts a vast, misty landscape with dark, expressive brushstrokes representing mountains or trees. A small figure in a red and blue robe is visible in the middle ground, adding a sense of scale and human presence to the scene.

SHC SHANGHAI CHEST

THE OFFICIAL JOURNAL OF SHANGHAI CHEST HOSPITAL

SHC Annual Report (2018)

Outline of the report

1. Basic Information
2. Message from Editors-in-Chief
3. Geographic Distribution of Editorial Board Members

Exhibition in the Conferences

In 2018, SHC has attended a few conferences to meet our editorial board members, authors, reviewers, readers and new friends. Progress has been made through these exhibition, including publishing meeting abstract book, etc.

To further develop the journal, SHC will attend more international conferences in the upcoming 2019.
