4. Message from the EIC

“On behalf of the AOS editorial team, we would like to extend our heartfelt gratitude to all the Editorial Board Members, Authors, Reviewers and Readers who have contributed to and supported AOS since its birth. In the new year, we warmly welcome more excellent surgeons and researchers to join us to share experiences and to transform surgical education, practice and research for our next generation of surgeons, and ultimately for our patients.”

5. Editorial Board Members

Shiva Jayaraman

St. Joseph's Health Centre, Canada

Chandrajit P. Raut

Harvard Medical School, USA

Flavio G. Rocha

Virginia Mason Medical Center, USA

ART OF SURGERY

A JOURNAL FOCUSING ON SURGICAL VIDEO TO IMPROVE MEDICAL EDUCATION

6. Featured Article Types

Apart from publishing Original Articles, Review Articles, Case Reports etc., *AOS* also has **featured article types** to better serve the mission and vision of the journal.

a. Masters of Surgery

Describes specific operative procedures, including narrated videos provided by renowned surgeons.

b. Resident Corner

Uses videos/animations to help residents learn basic surgical anatomy, imaging studies, fundamental surgical techniques/skills.

ART OF SURGERY

A JOURNAL FOCUSING ON SURGICAL VIDEO TO IMPROVE MEDICAL EDUCATION

6. Featured Article Types

c. Educational Case Report

Discusses unique cases. The text is a dialogue to vividly present the discussion process that takes place during diagnosis.

d. Tips and Tricks

Presents special tips and tricks to use during procedures that will produce better results.

e. Picture of the Month

Presents rare cases in clinical medicine. Provokes discussion on diagnoses, staging, treatments and follow-up plans.

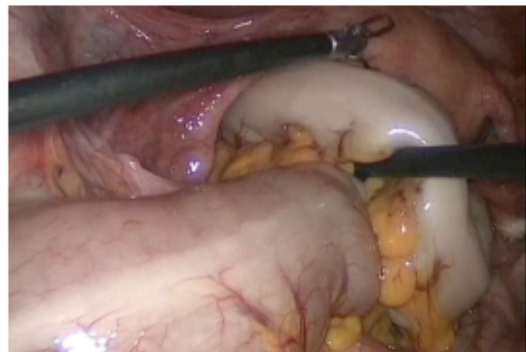

ART OF SURGERY

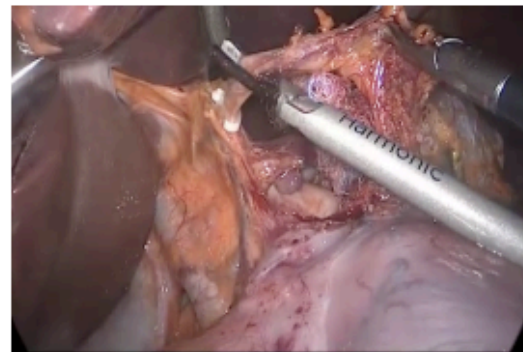

A JOURNAL FOCUSING ON SURGICAL VIDEO TO IMPROVE MEDICAL EDUCATION

7. Special Column

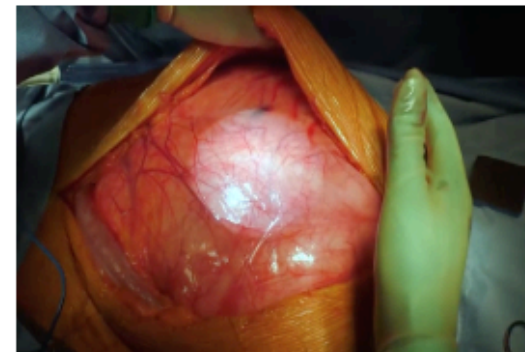

Videos

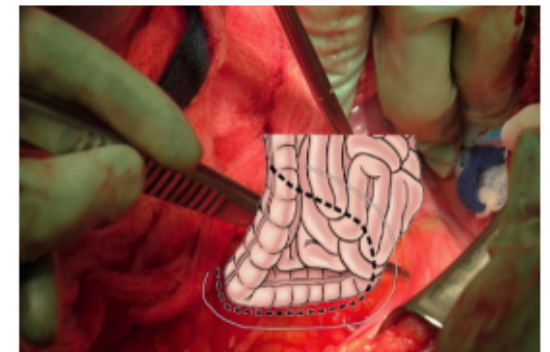

Anatomy in Relation to Left Colectomy

Anatomical landmarks for D2 lymph node dissection in distal gastrectomy

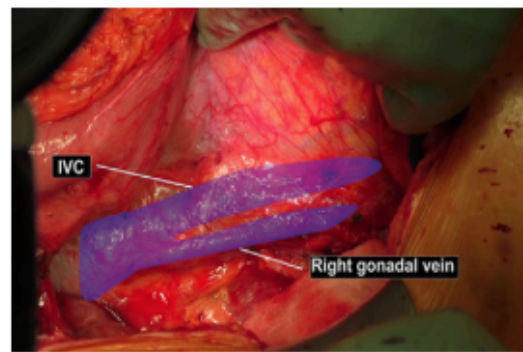

Retroperitoneal liposarcoma

Strategic planning for adrenal cortical carcinoma surgery

Gastric Lymph Node Stations

"SMA first approach" for resection of locally advanced pancreatic cancer

- The special column “**Videos**” features narrated videos provided by renowned surgeons in all surgical fields. This section is designed to be a detailed “how to” multimedia manual for operative procedures.
